

Open fronted storage box, 105 x 165 x 75 mm, blue

The high-quality and durable open fronted storage bins are designed for everyday use in shops, production facilities and warehouses. The bins are suitable for all standard metric shelving systems, paternosters and industrial workstations. Boxes of the same width can be stacked. The corrugated base prevents items from slipping on the floor, making it easier to grip small parts. Open fronted storage bins can be hung on bin profiles or wall rails.
