

Hose holder for RWB

RWS-D REWORK ADJUSTABLE ARM

The hose holder for RWB from JBC, available at Weidinger.eu, offers an efficient solution for neatly storing hoses. This holder is specially designed for use in demanding environments and ensures safe and space-saving storage. It is made of robust materials that guarantee durability and stability. The simple assembly enables quick installation, while the sophisticated design allows flexible adaptation to different hose sizes. Ideal for professional applications, the JBC hose holder ensures an optimized working environment and increases efficiency through clear organization.
