Smart Micro soldering and desoldering tweezers WXMTS set, RTWMS 030 K / WSR 210

• Smart Micro Soldering and Desoldering Tweezers Set including WXMTS Desoldering Tweezers
• 80 W, 12 V
• Visual process control through RGB signal function: easy identification of tools. Color matching possible. (Choose between 12 colors)
• Maximum protection: Military standard, Mil-Spec compliant and fully compliant with IPC industry standards (IPC - TM-650 2.5.33 Measurement of Electrical Overstress from Soldering Hand Tools)
• High performance / high productivity: Extremely short heat-up time: 5 sec.; Excellent response time
• Highest precision in soldering process due to short distance between tip and handle and optimized tip design; Precise positioning due to unique parallel sliding block guide; No alignment after tip change due to paired design (pre-aligned tips > time saving > increases

productivity); Adjustment functions with Allen key: 1.5 mm possible if required (±80° rotation angle adjustment + vertical length adjustment of ±1.2mm); Intelligent desoldering tweezer tips (enables automatic tip offset)
• Cost savings with unique smart 2-in-1 desoldering tweezers 80W, 12V: Compatible with Smart Pico (soldering or rework SMDs such as 0402, 0201, 01005) & Smart Micro desoldering tweezers for use under microscope. (Saves a tweezer handle).
• Connectable to: WXsmart control unit; WSR 210 safety rest; RTWMS / RTWPS desoldering iron assortment.
• Quick desoldering tweezer change: the Active Tip Cartridge System allows for easy soldering tip replacement, even with hot desoldering tweezers, without the need for an additional tool or adjustment.
• Ergonomics: Improved comfort and safe handling thanks to new ergonomic soft grips.
• Integrated parameter memory: Standby temperature and automatic shut-off time can be easily stored in the soldering iron; parameters only need to be stored once; the desoldering tweezers can use them with any WXsmart station.

Item no.	**WL74121**
Model	WXMTS SET
Manufacturer	WELLER
Manufacturer article no.	T0051321299
GPSR manufacturer data	WELLER Tools GmbH Carl-Benz-Strasse 2 DE-74354 Besigheim www.weller-tools.com
Length with packaging	318 mm
Width with packaging	170 mm
Height with packaging	155 mm
Scope of delivery	1 x WXMTS 1x WSR 210 1x RTWMS 030 K
Sales unit	1 piece
Content unit	1 piece
Power	80 W
Voltage	12 V
Heating time	5 s
Temperature range °C	100 – 450 °C
Temperature range °F	200 – 850 °F
Tip shape	Double tip
