

MACH LED PLUS.seventy surface mounted luminaire 370 mm MQAL 12 N

The highly efficient and maintenance-free LED technology, the sophisticated lighting technology and the extremely robust housing in an attractive design make the MACH LED PLUS the first choice for the lighting equipment of machines and plants.

Various lengths and wattages enable standard-compliant lighting conditions for any lighting and room situation. In addition, flexible adaptation options, the M12 plug-in connection and through-wiring (variants for electrical interlinking of several luminaires) ensure quick and easy integration. If necessary, all important components can be replaced. This makes the MACH LED PLUS one of the most sustainable machine luminaires on the market.

- 12 x LED
- Color temperature neutral white 5,000 K
- Glare control through Light Forming Technology
- Colorless anodized aluminum housing, black side parts made of high-performance plastic, 4 mm thick safety glass
- Mounting by means of various holders from the accessories
- Without switch
- Protection class IP67; protection class I
- Supplied without connection cable, connection via M12 plug connection
- Various holders, pre-assembled connection cables, M12 connection sockets that can be assembled and protective caps as accessories

item number	WL74215
manufacturer	WALDMANN
manufacturer item number	113049000-00580576
GPSR manufacturer information	WALDMANN Lichttechnik Peter-Henlein-Straße 5 DE-78056 Villingen-Schwenningen www.waldmann.com

length	370 mm
order unit	1 piece
content unit	1 piece
Colour	black, silver
material	aluminum
Lamp or magnifier type	Surface mounted light
luminous flux	71 lm
Protection class	IP 67
connections	100/120/220-240 V, 50/60 Hz
dimnable	no
colour temperature	5000 °K
power	7 W
equipping	LED
ESD safe	no
