

CoBolt® S compact bolt cutter with recess and plastic coated, black atraitmentized, 160 mm (SB card/blister)

Heavy-duty cutting edge with recess cuts the hardest round materials in just one cutting operation. Extremely high cutting performance in a handy 160 mm length. Small, slim head for very good accessibility. Compact and powerful: cuts bolts, nails, rivets, etc. up to Ø 4.8 mm. Cutting edge hardness approx. 64 HRC. Less force required due to efficient transmission mechanism. Reduced slipping of the cutting material due to lasered cutting edge. With gripping surface under the joint for gripping and pulling wires from Ø 1.0 mm. Cutting edges with recess for easier cutting of larger cross-sections due to better lever effect near the pivot point. SB card/blister.

Item no.	WL80771
Model	71 31 160 SB
Manufacturer	KNIPEX
Manufacturer article no.	71 31 160 SB
GPSR manufacturer data	KNIPEX-Werk Oberkamper Strasse 13 DE-42349 Wuppertal-Cronenberg www.knipex.de
Length	223 mm
Width	85 mm
Height	19 mm
Length with packaging	253 mm
Width with packaging	114 mm
Height with packaging	93 mm

Sales unit	1 piece
Content unit	1 piece
Type of packaging	blister packaging
Incl. battery	no
VDE	no
Facet	Center cutter
ESD compliant	no
Tool length	160 mm
Grip (expression)	Plastic cover
Type of pliers	bolt cutters
