

MANTIS IOTA stereomicroscope with STABILA table stand

THE stereomicroscope for performance:

Mantis is an award-winning ergonomic stereo microscope that offers exceptional ease of use and outstanding 3D imaging. No cumbersome eyepieces mean a stress-free viewing experience. See more and realize more than is possible with conventional binocular microscopes.

See every detail, even on challenging objects:

See the finest details in a large, high-resolution, high-contrast optical stereo image. Whether you view your object in the eyepiece-less field of view or on a separate monitor, Mantis delivers the superior image quality you need to perform your inspection tasks accurately and quickly.

Work better longer:

The ergonomic design allows for relaxed, stress-free viewing and manipulation of your component or specimen, improving posture and reducing strain on your back and neck. In

Products for the electronic industry

addition, the eyepiece-less design reduces eye activity and therefore eye strain.

The stereo microscope for your applications:

The long working distance and excellent depth perception make the Mantis stereo microscope perfect for numerous applications, including: Electronics, Medical, Mechatronics, Aerospace, Automotive, Life Sciences and more.

- Best optical 3D stereo image
- Ergonomic working posture
- Long working distance
- Magnification 3x - 8x
- Quick-change objectives
- Synchronized LED illumination

Stabila Bench Stand:

Compact, sturdy design offers a wide focusing range and an optional transmitted light unit.

Dimensions:

- Height working area - 150 mm
- Projection - 218 mm
- Max. Object height - 146 mm

Item no.	WL81057
Manufacturer	VISION
Manufacturer article no.	SMI211
GPSR manufacturer data	VISION Engineering Ltd., Anton-Pendele-Straße 3 DE-82275 Emmering www.visioneng.de
Scope of delivery	MANTIS IOTA stereo inspection microscope with Stabila table stand Stereo head MIH001 (without lenses), LED illumination Tripod MTB210 Dust cover MTA360 Power supply MTA330
Sales unit	1 piece
Content unit	1 piece
Incl. battery	no
Product type	stereomicroscope
Tripod design	Table tripod
Camera zoom	3x - 8x
ESD compliant	no
