

Replacement fiber brushes for WATC100F

The replaceable Weller WATCBF fiber brush pair is suitable for use with the WATC100F and WATC100M automatic soldering tip cleaners. The fine-bristled fiber brushes clean especially small, fine soldering tips and tweezers in one second - without leaving any residue on the workstation.

- Fine-bristled fiber brushes (non-metal)
- For intensive cleaning of soldering tips and tweezers
- For smaller, fine soldering tips
- Quick, easy cleaning, extends tip life compared to manual cleaning
- Simple, user-friendly brush change
- Diameter: 43 mm
