

Safety shoes S3, PUMA SAFETY, BORNEO MIT MID, black

SCUFF CAPS EVO is defined by its outdoor-inspired features and off-road design. The models are based on sophisticated know-how combined with a high level of comfort. Real performance solutions and reliable safety help you to defy daily work risks. RUBBER OUTSOLE. Coarse studs and heat-resistant up to 300°C - this hard-wearing HRO rubber sole shows what it was developed for: for optimum protection and performance, especially on unpaved surfaces. Directly injected, the lightweight PU midsole absorbs shocks over the entire surface of the foot. SCUFF CAP Extra high overcap for wearers who kneel a lot during their work. The special last shape creates more space for the little toes and in the ball of the foot area. This extra portion of comfort is available up to shoe size 48. The YKK zipper on the side makes it easy to put on and take off. The closed dust flap behind it prevents the ingress of dirt and the formation of unpleasant pressure points.

- Flexible metatarsal instep protection
- Penetration protection: steel midsole
- Insole: evercushion® BA+

- PU/rubber, SCUFF CAPS EVO

Item no.	WL81396
Manufacturer	PUMA
Manufacturer article no.	630870200000045
GPSR manufacturer data	Puma Europe GmbH PUMA Way 1 DE-91074 Herzogenaurach https://eu.puma.com
Sales unit	1 pair
Content unit	1 pair
Colour	black
Incl. battery	no
Protective cap	yes
Type of shoes	safety boots
Safety class	S3
Shoe width	W11
Shoe size EU	45
ESD compliant	no
Risk category (PPE regulation)	Category 2
