

## Safety shoes S3, PUMA SAFETY, CROSSTWIST MID, blue

URBAN LOOK WITH A TOUCH OF RETRO. Classic design elements combined with a modern cut. The striking CROSSTWIST MID from the URBAN PROTECT line meets all the criteria of a sneaker-style safety boot. Technically, the sole construction with a precisely fitting last sets new standards. The special highlight of the 300° heat-resistant rubber sole is the integrated rotation point. This point on the inner midfoot is subjected to the most stress during the movement sequence in everyday working life. Reinforcing the rotation point minimizes friction and therefore fatigue. A fiberglass toe cap and the flexible, metal-free FAP® penetration protection fully protect the feet.

- Functional leather upper with textile
- BreathActive functional lining
- evercushion® BA footbed
- Fiberglass toe cap and flexible
- FAP® penetration protection
- molded toe cap and heel protection
- URBAN rubber sole with IdCell and rotation point, 300°C heat-resistant

Item no.

WL81486

Products for the electronic industry

Manufacturer	PUMA
Manufacturer article no.	633140329000046
GPSR manufacturer data	Puma Europe GmbH PUMA Way 1 DE-91074 Herzogenaurach <a href="https://eu.puma.com">https://eu.puma.com</a>
Sales unit	1 pair
Content unit	1 pair
