

Safety shoes S3, PUMA SAFETY, CASCADES DISC LOW, black

HEAVY DUTY! The Scuff Caps series is one of the most successful safety shoe concepts, specially designed and developed for the construction sector, mechanical engineering and industry. Here, a high load-bearing capacity of the shoe meets an almost unparalleled wearing comfort. This is an absolute must, especially in the construction sector, as shoes are often worn for eight, nine or more hours. The CASCADES LOW with its black upper made of greased full-grain cowhide and hard-wearing Cordura® not only impresses with its clear design, but also with numerous features. The EVER.FLEX decoupling point integrated into the heel helps the foot to find the ideal contact between heel and ground with every step, individually adapted to the wearer's weight, height and stride length. The VOLUME PLUS concept provides an extra portion of comfort with its special last shape that creates more space, especially for the little toes.

- Footbed: evercushion® BA+
- Upper: greased full cowhide leather
- Protection: fiberglass toe cap, metal-free, flexible FAP® penetration protection
- Sole: SCUFF CAPS EVO - PU/rubber sole - 300°C heat-resistant, non-slip even on unpaved surfaces, self-cleaning
- Features: Penetration protection, heat-resistant
- Plus: CORDURA®
- Upper material: cowhide
- Lining: BreathActive functional lining

Item no.	WL81631
Manufacturer	PUMA
Manufacturer article no.	640721202000047
GPSR manufacturer data	Puma Europe GmbH PUMA Way 1 DE-91074 Herzogenaurach https://eu.puma.com
Sales unit	1 pair
Content unit	1 pair
Colour	black
Incl. battery	no
Protective cap	yes
Type of shoes	low shoe
Safety class	S3
Shoe width	W11
Shoe size EU	47
ESD compliant	no
Risk category (PPE regulation)	Category 2
