# Safety shoes S1P, PUMA SAFETY, BLAZE KNIT LOW, blue

SAFETY KNIT - STEP INTO COMFORT! Yes, this really is a safety shoe. The upper of the metal-free BLAZE KNIT LOW is made of SAFETY KNIT®, a highly flexible and hard-wearing textile fabric that adapts perfectly to the foot and fits like a sock. TPU protective elements in the toe cap and heel area provide abrasion protection, especially when kneeling. The sole of the BLAZE KNIT LOW belongs to the URBAN PROTECT line. The special feature of the 300° heat-resistant rubber sole is the integrated rotation point. This point on the inner midfoot is subjected to the most stress during everyday movements at work. Reinforcing the rotation point minimizes friction and therefore fatigue. A fiberglass toe cap and the flexible, metal-free FAP® penetration protection fully protect the feet. For individualists - the BLAZE KNIT LOW comes with two pairs of laces.

- 100% vegan, metal-free
- Fiberglass toe cap and flexible FAP® penetration protection
- TPU toe cap protection, metal-free
- Upper material made from SAFETY KNIT®
- BreathActive functional lining
- evercushion® BA footbed
