ESD safety shoes S1P, PUMA SAFETY, ELEVATE KNIT LOW, black

SAFETY KNIT - STEP INTO COMFORT! Yes, this really is a safety shoe. The upper of the metal-free ELEVATE KNIT is made of SAFETY KNIT®, a highly flexible and hard-wearing textile fabric that adapts perfectly to the foot and fits like a sock. TPU protective elements in the toe cap and heel area provide abrasion protection, especially when kneeling. In terms of the sole, the ELEVATE KNIT belongs to the URBAN PROTECT line. The special feature of the 300° heat-resistant rubber sole is the integrated rotation point. This point on the inner midfoot is subjected to the most stress during everyday movements at work. Reinforcing the rotation point minimizes friction and therefore fatigue. A fiberglass toe cap and the flexible, metal-free FAP® penetration protection fully protect the feet.

- Upper material: Seamlessly woven SAFETY KNITÖ textile
- Breathable BreathActive functional lining
- URBAN nitrile rubber outsole with EVA midsole
- Anatomically shaped evercushion® BA insole
- Protective toe cap: Reinforced fiberglass toe cap
- Width: 11

Item no.	**WL81737**
Manufacturer	PUMA
Manufacturer article no.	643160202000039

GPSR manufacturer data	Puma Europe GmbH PUMA Way 1 DE-91074 Herzogenaurach https://eu.puma.com
Sales unit	1 pair
Content unit	1 pair
Colour	black
Protective cap	yes
Type of shoes	low shoe
Safety class	S1P
Shoe width	W11
Shoe size EU	39
ESD compliant	yes
Risk category (PPE regulation)	Category 2
