ESD safety shoes S1P, LIFT IMPULSE, blue

The revolution in safety footwear! Inspired by innovative running shoes, ALBATROS® is launching dual.IMPULSE, the first safety shoe line with a directly injected midsole consisting of two layers of different IMPULSE.FOAM densities. IMPULSE.FOAM is the anti-fatigue technology in your safety shoe. This intelligent sole concept offers everything: maximum cushioning with energy return as well as outstanding stability and long-lasting comfort. Hardly distinguishable from a sports shoe, the metal-free LIFT RED IMPULSE LOW has an upper made from hard-wearing 3D textile fabric. It is equipped with a fiberglass toe cap and metal-free, flexible FAP® penetration protection, meets ESD requirements and has a breathable functional lining. The newly developed, anatomically shaped, moisture-regulating ALBATROS® comfit® AIR insole with a non-slip textile surface provides further comfort. The comfit® AIR has elevations in the heel and ball area as well as longitudinal arch support, which support the natural position of the foot in the shoe. This relieves pressure on the foot and stimulates the muscles when walking.

- Protection: fiberglass toe cap, metal-free, flexible FAP penetration protection
- Upper: durable 3D textile fabric
- Plus: abrasion-resistant TPU toe cap protection, ESD, comfortable shaft and tongue padding, particularly lightweight, IMPULSE.FOAM midsole in two different densities for outstanding cushioning, stability and comfort, closed dust flap, TPU heel bend protection
- Lining: breathable 3D functional lining
- Footbed: removable, anatomically shaped COMFIT AIR insole
- Sole: DUAL IMPULSE - 300ĖC heat-resistant, non-slip rubber outsole

Item no.	WL82095
Manufacturer	ALBATROS
Manufacturer article no.	646610351000044
GPSR manufacturer data	Albatros GmbH Koggenweg 1 DE-59557 Lippstadt www.albatroswork.com
Sales unit	1 pair
Content unit	1 pair
Colour	blue
Protective cap	yes
Type of shoes	low shoe
Safety class	S1P
Shoe width	W11
Shoe size EU	44
ESD compliant	yes
Risk category (PPE regulation)	Category 2
