

ESD safety shoes S3, TOFANE QL CTX LOW, black

The new work experience! Reliable protection, excellent wearer comfort, precise and comfortable fit, easy-care, high-quality materials, optimum slip resistance, especially on uneven surfaces, and all this in a convincing design - the TREKSTAR XP models have everything you need for tough everyday work.

They uniquely combine traditional functions, such as the full leather upper made from high-quality oiled leather, with modern elements, such as the innovative and comfortable QUICK LOCK lacing system for a precise fit on the foot and the non-slip XTS CROSS TERRAIN sole with joint stabilization in a carbon look.

The carbon look joint stabilization runs around the heel, providing additional protection against twisting and supporting the position of the foot in the shoe.

- QUICK LOCK lacing system
- 100% metal-free, FAP penetration protection
- Lining: Functional lining
- Outsole: Rubber
- Upper material: Full cowhide
- Toe cap: Fiberglass cap
