

ESD safety shoes S3, ANTELAO QL LOW, blue

The new work experience! Reliable protection, excellent wearer comfort, precise and comfortable fit, easy-care, high-quality materials, optimum slip resistance, especially on uneven surfaces, and all this in a convincing design - the TREKSTAR XP models have everything you need for tough everyday work. They uniquely combine traditional functions, such as the full leather upper made from high-quality oiled leather, with modern elements, such as the innovative and comfortable QUICK LOCK lacing system for a precise fit on the foot and the non-slip XTS CROSS TERRAIN sole with joint stabilization in a carbon look. The carbon look joint stabilization runs around the heel, providing additional protection against twisting and supporting the position of the foot in the shoe.

- QUICK LOCK lacing system
- 100% metal-free, FAP penetration protection
- Functional lining
- Outsole: rubber
- Upper material: Full cowhide
- Protective toe cap: fiberglass cap

Item no.	WL82339
Manufacturer	ALBATROS
Manufacturer article no.	648520617000045

Products for the electronic industry
