

Safety shoes S3, UNIT BAU MID, black

YOU CAN RELY ON THESE SHOES! Premium performer with a clear design for tough applications. The UNIT BAU MID with fiberglass toe cap and metal-free, flexible FAP® penetration protection is the ideal safety boot for construction, trade and industry. The greased full-grain cowhide upper is easy to clean thanks to few seams and ensures stability. The TREKSTAR sole with overcap is slip and abrasion resistant. A shock absorber in the heel area absorbs the impact energy and protects the ligaments and spine through gentle cushioning. The EVERCUSHION CUSTOM FIT footbed provides extra comfort in the safety shoe. The foot is relieved and has more support. Perfect for long working days!
