ESD safety shoes S3, ULTRATRAIL MID, black

TRAIL INSPIRED - WORK READY! Outdoor. Indoor. Work. Offroad. Reliable protection. Without compromise. Where other shoes give up, our XTS TRAIL models are just getting started. The XTS TRAIL outsole combines all the properties that are essential for occupational safety, whether indoors or outdoors, as well as for the highest demands in the outdoor sector: It is slip and abrasion resistant, heat resistant up to 300°C and has a specially designed lug profile with wide flex grooves as well as water-displacing properties. Additionally equipped with ESD, a protective fiberglass toe cap and FAP® penetration protection, it meets high safety standards. The IMPULSE.FOAM® midsole reacts to your every step with an energy impulse and ensures maximum cushioning, outstanding stability and long-lasting comfort. The ULTRATRAIL BLACK MID is made from full-grain cowhide with abrasion-resistant textile inserts and stands out thanks to its design in the signal color black and red. The anatomically shaped comfit®AIR insole and the comfortable shaft and tongue padding provide additional comfort. Wherever your (work) path takes you: XTS TRAIL is unconditionally at your side!

- metal-free, flexible FAP® penetration protection
- Smooth leather upper with abrasion-resistant textile inserts
- ESD-compliant

- 100% metal-free
- Breathable functional lining
- Comfortable shaft and tongue padding
- Rubber impact protection in the toe area

Item no.	WL82614
Manufacturer	ALBATROS
Manufacturer article no.	636200210000045
GPSR manufacturer data	Albatros GmbH Koggenweg 1 DE-59557 Lippstadt www.albatroswork.com
Sales unit	1 pair
Content unit	1 pair
Colour	black
Protective cap	yes
Type of shoes	safety boots
Safety class	S3
Shoe width	W11
Shoe size EU	45
ESD compliant	yes
Risk category (PPE regulation)	Category 2
