Reliable protection, excellent wearer comfort, precise and comfortable fit, easy-care, high-quality materials, optimum slip resistance, especially on uneven surfaces, and all this in a convincing design - the TREKSTAR XP models have everything you need for tough everyday work. They uniquely combine traditional functions, such as the full leather upper made from high-quality oiled leather, with modern elements, such as the innovative and comfortable QUICK LOCK lacing system for a precise fit on the foot and the non-slip XTS CROSS TERRAIN sole with joint stabilization in a carbon look.
