

ESD occupational footwear O1, AER55 ST BLUE LOW, blue

dual.IMPULSE ST! The outstanding dual.IMPULSE sole technology in work and leisure shoes for the first time. Developed for maximum performance, dual.IMPULSE supports all those who are not only on their feet a lot at work, e.g. in the catering, care and security sectors as well as medical practices. Optimum energy return and maximum comfort from the first to the last step - these models make it easier for you to master every shift.

- Plus: comfortable shaft and tongue padding, particularly lightweight, ESD, metal-free, TPU toe cap and heel protection, hard-wearing nylon lining
- Shank: SAFETY KNIT® with FITFRAME® elements (seamlessly applied reinforcement elements)
- Lining: BreathActive functional lining
- Footbed: anatomically shaped comfort footbed
- Sole: DUAL.IMPULSE - 300°C heat-resistant, non-slip rubber outsole with midsole made from IMPULSE.FOAM® in two different densities for outstanding cushioning, stability and comfort
