

ESD safety shoes S3L, PUMA SAFETY, FRONT COURT BLK/WHT/RED LOW, black

Is this really a safety shoe? Of course it is! The new FRONT COURT from PUMA Safety, inspired by classic sports shoes, not only looks great, but also shines with its sophisticated features! The S3 safety shoe with fibreglass toe cap and flexible penetration protection comes with a non-slip outsole that is heat-resistant up to 300°C and impresses with optimum grip and perfect cushioning. A rotation point incorporated into the sole in the midfoot area minimises friction and signs of fatigue. Thanks to the special arch support, the Evercushion® RELIEF footbed ensures optimum pressure relief and a natural position of the foot in the shoe. Shock-absorbing elements in the heel and forefoot area absorb shocks and impacts when the foot touches down, making the FRONT COURT as comfortable as possible - even on long working days.

- Penetration protection: flexible FAP penetration protection
- Insole: evercushion®RELIEF
- Lining: BreathActive functional lining
- Outsole: HERITAGE sole
- Upper material: smooth full-grain cowhide
- Protective toe cap: fibreglass cap

Item no. **WL82911**

Manufacturer **PUMA**

Products for the electronic industry

Manufacturer article no.	640200201000042
GPSR manufacturer data	Puma Europe GmbH PUMA Way 1 DE-91074 Herzogenaurach https://eu.puma.com
