# ESD floor tile SOFT, X-Lock, black, 497 x 497 x 7 mm, 4 pieces

Note: Please follow the installation instructions for ecotile floor tiles. This is available under "Documents" > "Download technical data sheet".
Anti-fatigue tile (Shore A 60)
The 7 mm PVC X-Log tile offers a super-modern and virtually seamless appearance when laid. Suitable for commercial, domestic and light industrial applications to reduce dust and noise.
The new surface texture provides the necessary slip resistance to increase safety in the workplace.
The PVC X tile is available in a range of colors and can be installed without downtime, special adhesive or screed.
• Manufactured in the UK to ISO9001 standards
• REACH compliant PVC
• 497mm x 497mm x 7mm
• EN 1081, EN 1815 & EN6356
• Fire retardant - class Bfl s1
