

ZeroSmog Shield Pro extraction unit for soldering fumes, incl. WE 1010 1-channel soldering station

For smooth and healthy soldering, Weller has combined its best-selling WE1010 soldering station with the ZeroSmog Shield mobile solder fume extraction system. This easy-to-use soldering set not only guarantees precision in your soldering projects. Your health is not neglected either. The sophisticated filter system efficiently removes harmful fumes and particles, protecting the operator's respiratory tract. With its temperature controls and ergonomic design, this soldering station is suitable for both beginners and experienced professionals. Solder your project - and take a deep breath.

- 85 W soldering station with fast heat-up time
- 70 W soldering iron with tool-free soldering tip change for more precision
- Digital LCD screen and simple menu navigation
- Suitable for many professional and hobby soldering jobs
- Maintenance-friendly filter unit with easily replaceable filter
- Illuminated work area
- Stackable with WE1010 and easy to move
- Cost-efficient soldering set
- Efficient filtering of particles and gases
- Antistatic housing (ESD-safe)

Item no.	WL83747
Model line	WE
Manufacturer	WELLER
Manufacturer article no.	T0053298391
GPSR manufacturer data	WELLER Tools GmbH Carl-Benz-Strasse 2 DE-74354 Besigheim www.weller-tools.com
Scope of delivery	1x Zero Smog Shield Pro extraction unit 1x WE 1010 soldering station 1x WEP 70 soldering iron
Sales unit	1 piece
Content unit	1 piece
Incl. battery	no
Power	10 W
Voltage	100 – 240 V
Vacuum (max.)	285 Pa
Conveying capacity	26 m ³ /h
Sound level	50 dBA
Noise level	50 dBA
Filter type	compact filter
ESD compliant	yes
