

Plastic Clear varnish, 5 Liter

The plastic clear lacquer from ECS in a 5 liter canister is a high-quality acrylic lacquer that is ideal for insulating, sealing and waterproofing. This transparent varnish dries quickly and offers reliable corrosion protection for printed circuit boards. With excellent insulating properties, it protects against moisture as well as inorganic, acidic and alkaline vapors. The lacquer adheres permanently and can be used in temperatures ranging from -70°C to $+100^{\circ}\text{C}$, and even up to 120°C for short periods. It can be soldered through and is easy to repair, enabling long-term coating of printed circuit boards and re-insulation of coils. This clear lacquer is suitable for a wide range of applications on metal, paper, signs and much more. It adheres to various materials such as metal, plastic, wood, cardboard and glass without dripping. It also has a UV indicator for quality control. The ECS Plastic clear lacquer can comply with the MIL-I-460580 "Type Acrylic Resin" standard and contains 5 liters for a wide range of applications.

- Clear varnish for insulation, sealing and sealing
- PLASTIC is a quick-drying, colorless, transparent acrylic varnish and suitable as a corrosion protection varnish for circuit boards

Products for the electronic industry

- PLASTIC has excellent insulating properties and protects against moisture and inorganic, acidic and alkaline vapors
- PLASTIC has long-lasting good adhesion. Can be used in the temperature range between -70° C and +100° C and can be briefly exposed to temperatures up to a maximum of 120° C.
- The paint can be soldered through and enables repairs on circuit boards. Guarantees long-lasting protection of circuit boards, can be used for re-insulating coils and as a universal clear coat for metal, paper, signs, etc.
- PLASTIC sticks to metal, plastic, wood, cardboard, glass, etc. It does not drip and contains a UV indicator for quality control
- PLASTIC conforms to MIL-I-460580 “Type Acrylic Resin”
- Can
- Contents: 5L

Item no.	WL83859
Manufacturer	ECS
Manufacturer article no.	770.L05.000
GPSR manufacturer data	ECS AG Talstrasse 35 CH-8808 Pöfikon www.ecsag.com
Sales unit	1 piece
Content unit	1 piece
Incl. battery	no
ESD compliant	no
