

Stainless Steel Wipes, 30pcs

Our ECS Stainless Steel Cleaning Wipes, 30 pieces, are the ultimate cleaning tool for all stainless steel, aluminum, ceramic, chrome, copper and brass surfaces. With a special liquid formula and a strong, hard-wearing cloth surface, they provide a highly effective cleaning action. Fingerprints, grease and other stubborn dirt are effortlessly removed. Thanks to the protection against corrosion and water stains, they preserve the shine of your surfaces. Ideal for use in elevators, escalators, electrical cabinets, railings, kitchens and grills. Each cloth measures 27 x 31 cm and is supplied damp in a bucket. Convince yourself of the quality of our ECS stainless steel cleaning cloths!
