

Light Handle for B-IRON, 35g, 100 soldering joints

It performs up to 100 SMD soldering joints per charge.

Perfect for R&D department and individual jobs.

Charging the handle is quick and effortless thanks to the built-in base charger. If you do not have a charging base, you must start by acquiring B-IRON 100.

- Thanks to its 35 grs, this handle is specially designed to ensure comfort and precision.
- Fully compatible with C210 Cartridge Range.
- Power safe mode that can be activated by putting on the cap.
- JBC Intelligent Heat Management ensures an extremely quick temperature recovery, reaching 350°C in less than 3 seconds.

- From any device with Bluetooth, you can remotely control and configure the tool parameters by using the app.
- Battery: Li-Ion 7,4 V / 180 mAh
- Ladezeit: 30 min
- Connections: Bluetooth Low Energy (BLE)
