Allround stool 1, with glides, natural beech plywood, gray color ring

The Allround versions of the stool system are used wherever people sit for short periods without special requirements. This can be the case in industry and trade as well as in the service sector or in retail. The stool requires little space. It is mobile and flexible in use. This makes it a valuable addition at the transition between standing and sitting work.
Comfort upholstery (60 mm thick)
- Seat height 450 - 650 mm
- 20 cm seat height adjustment
- only 54 cm diameter
- Plastic base (black)
- Ring release

Item no.	**WL84936**

Manufacturer	BIMOS
