

Laboratory stool, with foot release and castors, faux leather Magic black, color ring grey

Hardly any other workplace has as many different short-term seating scenarios as the medical and laboratory sector. In addition to flexibility, cleaning and hygiene are particularly important. The medical and laboratory versions of the stool system not only impress in terms of comfort and ease of cleaning, they also offer features that have been specially created for this area of application.

- Comfort upholstery (thickness 60 mm)
- Seat height 480 - 650 mm
- 20 cm seat height adjustment
- only 54 cm diameter
- Aluminum base (polished)
- Ring release
- Hygienic design
- Laboratory castors

Item no.	WL85039
