EarProtect reusable earplugs | silicone, SNR value 32 dB, 200 pairs

DS Safetywear presents the EarProtect reusable earplugs made of lamellar silicone in bright yellow. With an SNR of 32 dB, they offer optimum protection against noise and are extremely comfortable to wear. The pure silicone material ensures low pressure in the ear and adapts to many different sizes. The earplugs are also resistant to moisture and perspiration, which helps to prevent moisture in the ear canal. They have been specially developed to be perfectly compatible with earmuffs or other PPE. Invest in your safety and comfort with the high-quality EarProtect reusable earplugs from DS Safetywear!
