

EarProtect reusable earplugs | TPE, cord, SNR value 32 dB, 100 pairs

DS Safetywear presents the perfect solution for protecting your ears - the EarProtect reusable earplugs. Made from lamellar TPE and in an eye-catching blue color, these earplugs offer an SNR of 32 dB for optimal protection against noise. The practical cord ensures that you always have the earplugs to hand and won't lose them.

Not only are these earplugs easy to use, they are also reusable, making them an environmentally friendly and cost-efficient option. Protect your ears in style and comfort with EarProtect reusable earplugs from DS Safetywear.
