

## Laboratory / medical saddle stool, with castors, imitation leather Magic mint

---

The Bimos laboratory and medical saddle stool with castors is an ergonomic masterpiece that offers you a revolutionary sitting experience. Thanks to the intuitive 3D seat dynamics, the stool adapts perfectly to your movements so that you can always sit comfortably and dynamically. The innovative 3-zone upholstery foam provides optimum pressure relief and supports your spine in a unique way.

The seamless and crease-free upholstery of the Bimos stool not only guarantees maximum seating comfort, but also a hygienic and easy-to-clean surface. The seat height can be flexibly adjusted from 540 to 800 mm to meet your individual needs. The polished aluminum base not only gives the stool an elegant look, but also ensures maximum stability and durability.

With the Bimos laboratory and medical saddle stool, you will experience a new level of working comfort. Let its quality convince you and treat yourself to the best for your health and productivity. Experience the difference with Bimos!
