Cleanroom saddle stool, with castors, artificial leather Magic light beige

The Bimos cleanroom saddle stool with castors is the perfect solution for an ergonomic and comfortable sitting position in cleanrooms. With its intuitive 3D seat dynamics, the stool adapts optimally to the user's movements to ensure comfortable and healthy sitting. Thanks to the high-quality 3-zone upholstery foam, the stool offers outstanding seating comfort, while the seamless and crease-free upholstery ensures a hygienic working environment. Certified to cleanroom class 3 in accordance with DIN EN ISO 14644-1 and conductive in accordance with EN 61340-5-1, the Bimos stool meets the highest standards of cleanliness and safety.
The infinitely adjustable seat height of 540 to 800 mm allows individual adjustment to the user's needs, while the polished aluminum base ensures stability and elegance.
Experience comfort, functionality and quality in one product - with the Bimos cleanroom saddle stool you are optimally equipped for efficient work in the cleanroom.
