

Hi5 X Flexitec Basic gloves 4121X, gray/black

The Hi5 X Flexitec Basic gloves 4121X in gray/black offer an optimum combination of functionality and comfort. The nitrile foam coating ensures outstanding abrasion resistance, making the glove particularly durable. In addition, the superior grip ensures safety and precision at work in a variety of conditions.

These gloves are not only skin and environmentally friendly, but also touchscreen compatible, which increases their versatility. They are ideal for a wide range of applications, from industrial to manual tasks.

Rely on the quality and performance of Hi5 X Flexitec Basic Gloves 4121X and benefit from a product that focuses on both your safety and comfort.

- Nitrile foam coating
- Outstanding abrasion resistance
- Superior grip in various conditions
- Skin and environmentally friendly
- Touchscreen compatible
