

## Hi5 X Flexitec gloves 4121X, white/grey

---

The Hi5 X Flexitec gloves 4121X in white/grey from DS Safetywear are the perfect choice for anyone looking for ultimate performance and comfort. With a nitrile foam coating, they offer outstanding abrasion resistance, while the textured micro-foam coating provides a superior grip. These gloves are not only skin-friendly, but also environmentally friendly. Thanks to their maximum comfort, dexterity and breathability, the Hi5 X Flexitec gloves are ideal for long working days. They are also touchscreen-compatible, which makes them even more user-friendly.

Experience the unbeatable combination of quality and functionality for yourself with the Hi5 X Flexitec gloves 4121X from DS Safetywear!

- Nitrile foam coating
- Outstanding abrasion resistance
- Micro-foam coating with structure for superior grip
- Skin-friendly and environmentally friendly
- Maximum comfort, dexterity and breathability
- Touchscreen compatibility for increased ease of use
