

Hi5 X Chem gloves type A AKLMNPST, green

The DS Safetywear Hi5 X Chem gloves type A AKLMNPST in green are the ideal choice for demanding work environments. Thanks to their flock lining and chlorination, they not only offer excellent grip, but also optimum protection. The gloves guarantee comfort and ergonomics while wearing them, so they remain comfortable even during long periods of work. They are suitable for contact with food and comply with all legal regulations. The wide range of applications makes them an indispensable companion in various working environments. With DS Safetywear Hi5 X Chem gloves, you are always well protected and can concentrate on your work.
