Hi5 X Basic gloves 2131X, blue

The Hi5 X Basic Gloves 2131X in blue are the perfect choice for versatile applications. Featuring a latex coating with a crinkle texture, they offer improved user handling and reduce hand fatigue. The seamless polyester shell provides comfort and flexibility, while the latex coating increases the elasticity and tear resistance of the gloves. These gloves are durable and versatile - an essential accessory for any work environment.

- Latex coating with crinkle texture
- Crinkle design improves user handling and reduces hand fatigue
- Latex coating improves the elasticity and tear resistance of the gloves
- Seamless polyester shell provides comfort and flexibility
- Versatile application options
