

Reusable painting overall, 100% polyester, white

The DS Safetywear reusable painting overall offers you an optimum combination of functionality and comfort. Made from 100% polyester, this coverall impresses with its breathability and tear resistance, making it the ideal choice for professional painting work. Special features such as the hood with drawstring and the elasticated arms, legs and waist guarantee a perfect fit and additional protection. The practical 2-way zipper with cover makes it easy to put on and take off, while the back pocket with Velcro fastening offers secure storage space for your utensils.

This painting overall is lint-free, which ensures a clean working environment. It is also washable and reusable, which means you not only save resources but also contribute to sustainability. Each item is supplied individually packaged, allowing you to use them hygienically.
