

## Full body raincoat, high visibility, fluorescent yellow, I

---

---

Discover the Top Swede 9095 Rain Coat Hi-Vis, a long raincoat designed for construction and industrial professionals who need reliable protection in the rain. This raincoat is made from a soft stretch fabric with taped seams to ensure complete waterproofness and durability. For added protection, the coat can be buttoned into a coverall, making it ideal for intense and wet working environments. The fluorescent color and high visibility make the 9095 Rain Coat Hi-Vis the perfect choice for anyone who needs both safety and comfort during their working day. Choose the 9095 Rain Coat Hi-Vis for reliable and effective protection against rain and bad weather.
