

ESD drawer insert for AFS 340/40 top-mounted cupboard, 30 compartments á 44 x 50 x 32 mm

Discover the ESD drawer insert from Licefa, available at Weidinger.eu, which has been specially developed for the safe storage of sensitive electronic components. With 30 precisely divided compartments, this insert offers optimum protection against electrostatic discharge. Each compartment measures 44 x 50 x 32 mm and is rounded at the bottom to ensure easy removal of components.

Made of dissipative polystyrene (PS) in elegant black, the insert offers a conductivity value in the dissipative range of $>1 \times 10^4$ to $<1 \times 10^{11}$ Ohm. This guarantees reliable dissipation of static charges and effectively protects your components. The ESD drawer liner is compatible with the ESD drawer 8162028 and the ESD surface-mounted cabinet plug-in system type AFS 340/40 (article number 8900119).

With item number 2426200, this drawer insert is the ideal addition for your electronics

Products for the electronic industry

production to ensure order and safety. Place your trust in the quality of Licefa and optimize your storage solutions with this sophisticated ESD drawer insert.

- Material: dissipative PS (polystyrene)
- Conductivity: (dissipative $>1 \times 10^4$ to $<1 \times 10^{11}$ Ohm)
- Color: black
- Suitable for ESD drawer 8162028
- suitable for ESD surface-mounted cabinet plug-in system: Cabinet type AFS 340/40: 8900119
- Compartments: 30
- Compartment size: 44 x 50 x 32 mm
- Compartments rounded at the base
