

Rollboy Single 340/22 ESD, 18 drawers, with work mat, black, 318 x 365 x 806 mm

Discover the Rollboy Single 340/22 ESD at [Weidinger.eu](https://www.weidinger.eu) - the ideal solution for your electronics production. This classic mobile pedestal in an elegant aluminum design combines aluminum profiles with a white-coated chipboard and offers optimum protection against electrostatic discharge with its 18 drawers made of dissipative polystyrene (PS). The mobile pedestal is fully assembled and has an ESD version with a spiral cable, wrist strap and an attached work mat for additional safety.

With its compact dimensions of 365x318x806mm and 42 double castors, the Rollboy Single 340/22 ESD is easy to move and fits perfectly into any workshop. With internal dimensions of 340x250x22mm, the drawers offer sufficient space for your tools and materials. Two fully assembled top cabinets further expand the storage space.

18 label plates are included for clear organization. Please note that inserts must be

ordered separately (item number 8900049). Place your trust in the quality of Licefa and optimize your work processes with this high-quality mobile pedestal.
