

ESD SMD drawer for enclosure AFS 340/22 incl. 16x SMD box N4

Discover the high-quality ESD SMD drawer, available at [Weidinger.eu](https://www.weidinger.eu), specially developed for the AFS 340/22 surface-mounted enclosure. This drawer, item number 8900055, offers an optimal solution for the safe storage and organization of SMD components. Made of dissipative polystyrene (PS), it ensures reliable protection against electrostatic discharge (ESD) with a conductance of dissipative $>1 \times 10^4$ to $<1 \times 10^{11}$ Ohm.

The drawer is finished in elegant black and contains an SMD block with 16 SMD boxes N4 (8159043), which ensure clear and space-saving storage. The hinged lid made of PS, ESD-CON, in black and the subdivision made of ABS, ESD-DIS, in yellow, offer additional protection and stability. With internal dimensions of 340x250x22 mm, it fits perfectly into the AFS 340/22 cabinet, without license plates.

Trust in the quality of Licefa and optimize your electronics production with these sophisticated accessories.

- Drawer material: dissipative PS (polystyrene)

- Conductance: (dissipative $>1 \times 10^4$ to $<1 \times 10^{11}$ Ohm)
- Color: black
- with inserted SMD block consisting of 16 x SMD Box 04 (8159043)
- UT: ABS, ESD-DIS, yellow
- Hinged cover: PS, ESD-CON, black
- for surface-mounted enclosure AFS 340/22, without license plates
- Drawer LxWxH, inside, each: 340x250x22 mm

Item no.	WL85965
Manufacturer	LICEFA
Manufacturer article no.	8900055
GPSR manufacturer data	LICEFA GmbH & Co.KG Lemgoer Strasse 11 DE-32108 Bad Salzuflen www.liceфа.de
Length	340 mm
Height	22 mm
Sales unit	1 piece
Content unit	1 piece
Colour	black
Material	PS
Incl. battery	no
Typical surface resistance (Rpp)	dissipativ $>1 \times 10^4$ - $<1 \times 10^{11}$ Ohm
Material storage boxes	plastic
ESD compliant	yes
