

Brass wool for B-Iron soldering station

Very effective cleaning method.

Leaves a small layer of solder on the tip, which prevents oxidation between cleaning and rewetting.

Item no.	WL87141
Model line	B-IRON
Manufacturer	JBC
Manufacturer article no.	CL0300
Length	56 mm
Width	41 mm
Height	93 mm
Sales unit	1 piece
Content unit	1 piece
Incl. battery	no
ESD compliant	no
