

MicroFine tweezers handpiece work stand

The Metcal MFT-WS10 handpiece work stand is a valuable addition for anyone working with the MicroFine MX-H10-MFT or CV-H10-MFT handpieces. It offers a stable and ergonomic solution for hands-free working, resulting in increased precision and safety during soldering work. This work stand is particularly beneficial in professional soldering environments, as it provides a comfortable rest for the handpiece during use.

- Compatible with the MX-H10-MFT and CV-H10-MFT handpieces
- Enables hands-free working thanks to automatic tip removal and alignment
- Integrated cartridge holder
- Adjustable handpiece rest
- Replaceable brass cleaning brush
- Easy to empty collection container

Item no.

WL87171
