

Safety shoe S1PL, PUMA SAFETY, MADRID LOW, black/red

The popular METRO PROTECT line from PUMA® Safety has been given an update! The improved sole and profile structure of the low shoe with safety class S1PL ensures optimum grip and a high degree of flexibility. The abrasion-resistant toe cap protection protects the leather in the toe area against wear and tear, making it ideal for all areas of activity where a lot of work is done on the knees. The evercushion® RELIEF footbed ensures optimum cushioning and a high level of comfort even on long working days.

- Aluminum toe cap and flexible FAP® penetration protection
- Abrasion-resistant toe cap protection
- Sandwich mesh with microfiber
- BreathActive functional lining
- evercushion®RELIEF
- S1PL
- TPU sole METRO PROTECT with idCELL
- Suede, mesh
