

ESD safety shoe S1PS, PUMA SAFETY, RIDER BLK LOW, black

The RIDER BLK LOW offers you first-class protection and maximum comfort - all day long! The lightweight fiberglass toe cap and flexible FAP® penetration protection ensure reliable safety in any environment. The breathable sandwich mesh in combination with hard-wearing microfiber guarantees optimum ventilation and durability. The BreathActive functional lining keeps your feet pleasantly dry, while the evercushion® CUSTOM FIT MID footbed offers additional comfort. The heat-resistant URBAN rubber outsole ensures a non-slip grip - even in high temperatures. Go for safety, comfort and durability - with the RIDER BLK LOW!
