

Hi5 X Basic nitrile gloves, blue, fully coated work gloves for high abrasion resistance

The Hi5 X Basic nitrile gloves offer reliable protection and a high level of comfort for work with high abrasion requirements. Made from 100% cotton jersey with a full nitrile coating, they are ideal for use in harsh and demanding working environments.

- Fully coated nitrile surface for excellent protection against abrasion and mechanical stress
- 100% cotton jersey lining for comfort and good sweat absorption
- High resistance to rough, abrasive material, even in wet environments
- Ergonomic fit for optimum dexterity and long service life

Item no.	WL87805
Manufacturer	DS SAFETY WEAR
Manufacturer article no.	HI5810-10

Products for the electronic industry
