

Combination blade for Phillips and Pozidriv screws, PH 1 x PZ 1 x 175 mm

Combination blade for Vario handles. The double blades are made from high-quality bit material and are therefore particularly durable. The Wera Black Point tip offers a precise fit and optimized corrosion protection.

- Phillips/cross recessed Pozidriv combination blade for Vario handle holder
- Nicromatt hexagonal material, 6 mm
- Black Point tip offers precision fit with optimized corrosion protection
- Two different drives on one blade

Item no.	WL87840
Model	83
Manufacturer	WERA
