Metal ratchet with square drive with 3/8" drive, 3/8" x 222 mm

Zyklop Metal ratchet with square drive. Slim design for working even in very tight spaces. The double pawl design enables a 76 fine-tooth pitch with a return angle of just 4.7° from 38 robust teeth. Very smooth change of direction thanks to captive through-square for the first time with a secure nut locking function. Forged full metal ratchet (chrome-molybdenum) for particularly high robustness and a long service life.

- Extremely slim ratchet with long lever
- Return angle of only 4.7 degrees
- Butter-smooth switching of the captive through square
- Secure nut fixing
- For 3/8" square sockets with ball lock

Item no.	**WL88214**
Model	8003 B Zyklop
Manufacturer	WERA
Manufacturer article no.	05004033001
GPSR manufacturer data	WERA Werkzeuge GmbH Korzerter Strasse 21-25 DE-42349 Wuppertal-Cronenberg www.wera.de
Length	305 mm
Width	50 mm
