Metal ratchet with changeover lever with 3/8" drive, 3/8" x 222 mm

Zyklop Metal ratchet with reversible lever. Slim design for working even in very tight spaces. The fine toothing with 72 teeth enables a low return angle of 5°. With changeover lever for easy change of direction. With safe nut locking function. Forged full metal ratchet (chrome-molybdenum) for particularly high robustness and a long service life.

- Convenient change of direction thanks to changeover lever
- Extremely slim ratchet with long lever
- Return angle of only 5 degrees
- Secure nut fixing
- For 3/8" square sockets with ball lock

Item no.	**WL88215**
Model	8004 B Zyklop
Manufacturer	WERA
