

Comfort ratchet set, reversible lever, 3/8" drive, imperial, 11-piece

11-piece Zyklop Comfort ratchet set in a lightweight and robust, durable textile box. The two-component plastic coating of the Zyklop Comfort ratchet makes working comfortable even in the cold and at the same time protects surfaces from damage. Zyklop impactor sockets are characterized by their above-average service life, even under extreme conditions. The Take it easy tool finder (color coding by size) means that the required size is quickly to hand. With the Zyklop extension, even nuts and bolts that are difficult to reach can be operated.

- 11-piece Zyklop Comfort ratchet set; imperial sizes
- Pleasant feel thanks to the plastic coating
- Plastic coating protects surfaces from damage
- Fine toothing with 80 teeth for a short retraction angle of just 4.5°
- Extremely slim design with soft, ergonomic grip zone for easy working even in very tight installation spaces
