

Take it easy interchangeable blade, TX 15 x 157 mm

VDE blade for Kraftform compact handle/interchangeable blade system. Lightning-fast blade replacement without special tools. Piece-tested tools in accordance with IEC 60900. 10,000 V piece test for safe working at the approved voltage of 1,000 V. Reduced blade diameter with integrated protective insulation, so low-lying screw and spring elements can be reached and operated. The Wera Black Point tip offers a precise fit and optimized corrosion protection. With Take it easy tool finder: color coding according to profiles and lasered size information. The hexagonal roll-off protection prevents the blade from rolling away unintentionally.
